## ***THE WORLD'S LARGEST KNIFE STORE***

In the early 1970's, Kevin Pipes—the company's Founder – and John Parker started to sell pocketknives from their pickup trucks. They spent most of the next decade building relationships with customers and vendors alike, and in 1978, Smoky Mountain Knife Works was born.

In the last 45 years, SMKW has grown exponentially. In fact, we outgrew two buildings before we built and moved into our present location in Sevierville, Tennessee.

More than 1.5 million guests visit our 108,000 square-foot knife showroom in Sevierville, TN, and millions more receive print catalog and shop every year. SMKW fulfills thousands of orders every day from our state-of-the-art Distribution Center in Dandridge, Tennessee.

At [smkw.com](http://smkw.com): If it cuts, we carry it.
